We invite you to come and be a part of our annual golf benefit at the end of July! Whether you can hack it or not, we want you there! All ages welcome! Participants are welcome to come and register, hit a bucket of balls to warm up and then the round will begin! The benefit is a best ball scramble format. There will be prizes for the top teams along with a hole-in-one contest! After the round of golf, we will total the scores to see where everyone landed and there will be a putting contest for those interested! The group will then enjoy a delicious meal together and great prizes. See you there!
